Date of Call?: May 2, 2008. Can I have a VBAC at this hospital?: Banned. Are there any doctors who do VBACs?: No **Location**

4. Is that a formal policy or is it just the way the doctors have decided to practice?: Formal VBAC ban. What would happen if I arrived at the hospital and refused a cesarean?: Other comment. Comments: Not allowed to refuse, they have no forms for refusal of a procedure. Even if you are crowning they will section you because its against hospital policy.
