Date of Call?: March 5, 2008. Can I have a VBAC at this hospital?: De Facto Ban. Are there any doctors who do VBACs?: Don't Know **Location**

Ketchikan, AK, 99901 United States
55° 35' 1.2804" N, 131° 23' 34.8972" W

Midwife or Doctor's Name: One dr. would do them, but she wouldn't give me the name. Can I have a VBAC there if I have had more than one c-section?: Up to the dr. 7. Comments: VBAC policy at this hospital is up in the air right now-no formal ban but is considering it. It's a case by case basis with the one dr. who will do them (for instance, only if it was daytime and the OR staff was there, etc.). The nurse I spoke with was hedgy and did not seem comfortable speaking with me about VBAC's.
